# Just for Fun Programs

## Blanket Fort Fun

### Brownie Daisy

1.5 hours

Bring your blankets, sheets, and pillows to make a “campsite.” Enjoy camp songs, stories, a s’mores treat, and a craft!

**A fun patch will be provided to all participants.**

## Unicorn Fun Junior

Kids will discover what makes them unique and special through unicorn activities, games, and a craft!

**Fun pin provided.**

## Greeting Card Assembly Line Service Project

### Junior

Kids will learn teamwork and the value of service to the community by using an assembly line technique to create cards to donate to senior citizens.

**A fun patch will be provided to participants.**

## Between Earth and Sky

**In this Journey, you will:**

- Explore nature and learn how to keep the Earth healthy.

**Badge:**

Earth and Sky Journey Award Set

## Hidden Shapes

Identify shapes and patterns in natural objects, like rainbows, flowers, and leaves, and then create art inspired by nature!

**Badge:** Shapes in Nature

## Like a Good Neighbor

Find out how you can help your communities by being a good neighbor.

**Badge:** Good Neighbor

## Outdoor Artists

Explore the outdoors and use what you see and hear to make different art projects.

**Badge:** Outdoor Art Maker

## Passport to Space

Explore and observe the sky like a real space scientist!

**Badge:** Space Science Explorer

**NOTE:** The badge-earning programs do not include the badges. Troop Leaders will need to arrange for those.

## Friends in Nature

Nature Explore Outdoor Classroom

Through stories, songs, games, and a snack, children will learn the importance of protecting nature while exploring the great outdoors.

**Badge:** Eco Friend

## Art in Nature

2 hours

Nature Explore Outdoor Classroom

Join us for a story, song, and dance. We'll go on a nature detective walk, build a Brownie Elf and Elf house, be a nature "photographer," create nature collage frames and butterfly window art!

**Badge:**

Outdoor Art Creator

## Passport to Space

Come explore the sun, moon, and stars with interactive activities, games, and a craft. We'll have a taste of astronaut food too!

**Badge:** Space Science Explorer

## My Five Christmas Senses

Come listen to, smell, taste, touch, and see the holiday season using your senses.

**Badge:** Senses

**NOTE:** The badge-earning programs do not include the badges. Troop Leaders will need to arrange for those.

## Introduce a Girl to Engineering

Come celebrate Engineering Week (last week in February) as we introduce second to fifth grade girls to STEM activities.

### Badge:

Brownie Mechanical Engineering

## A Lump of Clay

Girls will have plenty of hands-on fun as they make a pot and a piece of art and learn to paint a piece of ceramic bisque.

**Badge:** Potter

## Mad Scientists

Who knew that learning about science could be so fun? Participants will be doing experiments that involve static electricity, density, bubbles, slimy stuff, and ice cream!

**Badge:** Home Scientist

## Painting Pals

Kids are invited to join us to learn to paint and color their world during the Painting Pals program. We'll get inspired by famous paintings, paint a still life object, paint a mood without paint brushes, and create a mural.

**Badge:** Painting

## Creepy Crawlies

**Nature Explore Outdoor Classroom**

Eek! It's a bug! Kids will learn about bugs through stories, songs, and crafts. We'll observe bugs and their homes and enjoy a healthy "insect" snack!

**Badge:** Bugs

# Junior

## Introduce a Girl to Engineering

Come celebrate Engineering Week (last week in February) as we encourage girls to be innovators!

**Badge:** Crane Design Challenge

## Fun Fit Kids!

Learn about fitness and food in a fun way with Drums Alive, stress dough, glow stick yoga, and a tasty dessert.

**Badge:** Staying Fit

## In The Garden

**South Branch**

Visit the Butterfly Garden to explore garden design, learn about choosing plants, experiment with seeds, and get tips on growing your own garden.

**Badge:** Gardener

## Draw It!

Learn some great techniques to make better drawings and experiment with different materials. Learn how to add shading, get some perspective, and use your imagination.

**Badge:** Drawing

**NOTE:** The badge-earning programs do not include the badges. Troop Leaders will need to arrange for those.
